## Safety Instructions:

- Before use, ensure that the table clamp is correctly fitted and tightened.
- The device may only be used for monitors weighing up to 9.1 kg.
- Monitors over 34 inches must not be installed in order to avoid safety risks.
- Ensure that the monitor arm is not overloaded to prevent breakage or falling.
- Do not install near water sources to minimise the risk of electric shock.
- The height adjustment and movements of the monitor should be carried out carefully and slowly.
