Please note the technical data of the products!

Article Numbers: 301793, 301792

Safety Instructions:

- Product not suitable for children under 3 years of age, as the small parts contained may pose a choking hazard.
- Edges and corners can be sharp; ensure that there is no risk of injury.
- Only use the product for its intended purpose; improper use can cause damage.
- Due to the use of adhesive, the product should be kept away from heat sources to prevent the materials from peeling off.
- Do not use for labelling the edges, as this can impair stability and lead to injuries.
- The product is made of paper and cardboard, so make sure that it is protected from moisture.
