Safety Instructions:

- General product safety regulations must be observed when using the register.
- The product should not be stored near sources of water or moisture to avoid deformation or breakage.
- The register is not a toy and must be kept out of the reach of children to prevent unauthorised changes or improper use.
- Material made from recycled plastic should be disposed of in an environmentally friendly manner in order to minimise the environmental impact.
- Do not swallow small parts: The product is not suitable for children under 3 years of age, as small parts can pose a choking hazard.
- Do not store near open flames or heat sources to prevent damage to the recycled plastic.
- The product should be stored in a dry place to ensure the shelf life of the material and to maintain material quality.
- Avoid scratches: Do not use sharp objects on the surface.
- Avoid contact with food, as there are no specific food approvals despite the recycled plastic.
- Observe correct use and handling to avoid injury.
