Safety Instructions:

- Make sure that the laptop bag is not filled with sharp objects to avoid damage.
- Avoid exposing the laptop bag to high humidity for long periods of time, as this can affect the material.
- Ensure that the bag is properly closed to protect the contents, especially electronic devices.
- Keep the bag away from hot surfaces and direct heat sources to prevent material damage.
- Secure small items such as pens or cards in the compartments provided to prevent them from falling out during transport.
- The bag is not designed for use as a defence or protective device; use it only for its intended purpose.
- Read the care instructions to ensure the longevity of the bag.
