Article Numbers: 157877, 157876, 157875, 157874

Safety Instructions:

- The cloths can be washed at high temperatures (up to 90 degrees). However, please note the washing instructions and the maximum number of washes (maximum 300 times).
- Use only with suitable cleaning agents. When using with disinfectants, please observe the product labels and manufacturer's instructions.
- Cloths should be colour-coded and assigned to different areas of use to avoid cross-contamination.
- The wipes are not suitable for direct contact with food to avoid health risks.
- Not suitable for use under water; suitable cleaning solutions are required.
- Avoid contact with naked flames or hot surfaces.
- Keep out of reach of small children to avoid choking hazard.
- After washing, ensure complete drying to prevent mould growth.
- Wash before first use to ensure maximum cleaning performance.
- Please note that improper use can lead to damage to the product or to cleaned surfaces.
