Safety Instructions:

- Only use the bar stool for its intended purpose.
- Make sure that the stool is placed on a stable and level surface to minimise the risk of it tipping over.
- To avoid tipping over, you should never lean on the backrest.
- The stool is only suitable for use by adults; keep children away to prevent falls.
- Please ensure that the stool is properly assembled before using it.
- Check the protective caps on the feet regularly to prevent damage.
- The seat height is 760 mm; make sure that the stool is suitable for users of different heights.
- Avoid applying excessive force or weight to the stool to ensure safety.
- Regularly check the stability of the stool, especially the connection between the seat and frame.
