Article Numbers: 883320, 883319, 883318, 883317, 883409

Safety Instructions:

- Not suitable for children under 3 years, choking hazard due to small parts.
- Not suitable for children under 3 years of age as small parts can be swallowed.
- Not suitable for children under 3 years of age as it is a heavy and potentially dangerous object.
- Do not exceed the maximum load capacity to avoid injury.
- Do not exceed the maximum load (2.5 kg) to avoid the risk of breakage or injury.
- Do not load above the recommended load (25 kg).
- Use on non-slip and level surfaces to prevent tipping over.
- Ensure that the product is stored safely and can tip over if handled incorrectly.
- Edges and surfaces may be sharp; risk of injury.
- Handle with care when using with heavy objects to avoid injury during transport.
- Before use, ensure that the open-fronted storage box is placed on a stable surface.
- Keep the storage box out of the reach of children, as it could be considered a toy.
- When handling the open-fronted storage box, be careful of sharp edges to avoid injury.
- After use, check the open-fronted storage box regularly for damage and do not use damaged items.
- Please use the open-fronted storage box only for the intended applications and within the specified load capacity.
- Secure the open-fronted storage box during transport to prevent damage or injury.
- Avoid using the open-fronted storage box in damp environments to prevent corrosion.
- Suitable for adults; keep away from children to avoid possible injury.
