Article Numbers: 883325, 883324, 883323, 883322, 883321

Safety Instructions:

- The product must be kept out of the reach of children and is not suitable for children under 3 years of age, as parts can be swallowed and there is a risk of injury.
- Lift and store heavy loads safely and avoid overloading to prevent injury and damage.
- Do not exceed the maximum load of 8 kg to avoid injury and structural damage.
- Safety precautions must be observed when stacking and arranging the boxes to prevent them from tipping over. Ensure that the boxes are placed on stable and level surfaces.
- Product contains heavy tools, therefore there is a risk of injury if handled incorrectly. The use of protective gloves is recommended.
- Only suitable for use by adults as the product can hold heavy objects.
- Not suitable for use in damp or corrosive environments to prevent rust formation.
- The load on the open-fronted storage box must not exceed 120 kg.
- Ensure that the open-fronted storage box is not pressed against each other to prevent it from tipping over.
