Safety Instructions:

- Observe the maximum load capacity of 60 kg to avoid overloading and breakage.
- Ensure stacking to prevent the risk of tipping over. Do not place more than 600 kg on the box.
- Danger from sharp edges. Take care when handling the sheet steel to avoid injury.
- Product not intended for children. Keep away from children and do not use as a toy.
- Regularly check for mechanical damage such as dents or cracks to avoid safety risks.
- Only to be worn by one person to ensure safety.
- Use protective measures (gloves) to minimise injuries.
- Risk of injury due to improper lifting or transporting of heavy loads.
