Article Numbers: 883350, 883349, 883348, 883347, 883346

Safety Instructions:

- Not suitable for children due to the high weight and load capacity.
- Store and transport safely to avoid injury from incorrect lifting or impact.
- Regularly check the structure and stability to minimise security risks.
- Avoid overloading beyond the maximum load capacity of 150 kg to prevent damage or injury.
- The use of trained personnel is recommended when lifting heavy loads.
- Store securely to prevent tipping or falling out.
- When stacking several crates, ensure stability to prevent them from tipping over.
- Regularly check for material fatigue to prevent damage.
- Use the carrying bar and handle as instructed to avoid injury.
- Protection against aggressive chemicals to prevent material damage.
- Do not exceed the maximum load capacity of 150 kg to avoid damage or injury.
- Avoid contact with sharp objects to prevent material damage.
- Only use on stable, level surfaces.
- Ensure that all parts are fitted before use.
- Do not stack unless expressly permitted.
- Do not use the box for hazardous substances.
- Keep the box dry to prevent corrosion.
- Prevention of injuries due to improper handling of heavy loads.
- Avoid mechanical damage to the material.
- Only use the drop handle as intended.
