Article Numbers: 883355, 883354, 883353, 883352, 883351

Safety Instructions:

- Do not exceed the load capacity of 130 kg.
- Use only for the intended purpose.
- Only use the drop handle to transport the box to avoid injury or damage.
- Before use, ensure that the open-fronted storage box is placed on a stable surface to prevent it from tipping over.
- Do not overheat the box or expose it to direct sunlight.
- Avoid use in damp or wet environments so as not to jeopardise the material integrity of the steel sheet.
- The product is not suitable for use by children.
- The product is not suitable for the storage of hazardous materials.
- Before use, ensure that the product is not damaged.
- Take care when lifting: When lifting heavy contents, use the correct lifting technique to avoid injury.
- Take care with sharp edges or corners; safety clothing is recommended.
- Avoid skin contact with sharp edges of the steel sheet.
- Take care not to load the open-fronted storage box above the maximum load capacity of 130 kg.
- Ensure that the box is not used for the storage of hazardous substances.
- Consult the instructions for use if you are unsure about handling.
