Article Numbers: 883387, 883386, 883385, 883384, 883383

Safety Instructions:

- Do not exceed the maximum load capacity of 100 kg to prevent injury and damage.
- Ensure safe handling when lifting using the drop handles to avoid back injuries.
- Protect from sharp or pointed objects to prevent damage.
- Keep out of the reach of children to prevent injury.
- Only use the Schäfer Shop Select stacking box for its intended purpose, in particular not as a seat or standing surface.
- Do not stack on unstable or uneven surfaces to avoid the risk of falling.
- Ensure proper handling and storage to avoid injury.
- Be aware of the risk of suffocation due to improper handling and transport of heavy loads.
- Be aware of the risk of injury due to improper use when moving or stacking boxes.
- Hold hands and fingers carefully when stacking to avoid crushing.
- Enclose safety information and instructions for safe use.
- The box is made of hard-wearing sheet steel. Protect from sharp edges and corners.
- Only use at low temperatures and in dry environments to avoid material damage.
- Transport and storage of objects without overloading to prevent damage.
- Do not use in safety-critical environments where failures could lead to hazards.
