Safety Instructions:

- Please place heavier objects in the box to avoid the risk of injury when lifting.
- Observe the maximum load of 80 kg to avoid accidents and injuries.
- The box is not suitable for transporting live animals.
- Avoid using the box on unstable surfaces or when transporting it in a vehicle.
- Do not use or throw the box upside down to avoid damage.
- The product is not suitable for children. Watch out for small parts.
- Observe protective measures against sharp edges to avoid injuries.
- Find out about the correct use and care to ensure service life and safety.
- Make sure that the box is stacked on a stable and level surface to prevent it from tipping over.
- When transporting heavy goods, lift them together with a second user.
- Use ergonomic folding handles to avoid hand injuries.
- Keep the box away from water and aggressive substances to prevent corrosion.
