

# Product Safety Information

**LED work light Ansmann FL2500R, 3 light levels, 2400 lumens, IP64, rechargeable battery, mounting bracket/carrying handle, W 177 × D 129 × H 44 mm**

**Manufacturer/Responsible Person:** Ansmann AG, Industriestraße 10, 97959 Assamstadt, Deutschland  
**E-Mail:** info@ansmann.de

Please note the technical data of the products!

**Article Number:** 301827

## Safety Instructions:

- Caution: High luminous flux of 2400 lumens can cause glare.
- Please do not use the product in extreme temperatures or under water, as this may impair its function and safety.
- To avoid electric shock and other hazards, do not disassemble or improperly maintain the lamp.
- Ensure that the product is checked for damage before use.
- Suitable for indoor and outdoor use, but ensure adequate protection against water and dust in accordance with IP64.
- The power bank function may only be used in accordance with the manufacturer's instructions.
