Please note the technical data of the products!

**Article Number:** 301836

## Safety Instructions:

- Caution: Not suitable for children, does not contain any safety devices to prevent improper use.
- Avoid using the light in damp environments as it only has an IP20 protection rating.
- Caution: The battery pack can overheat if overcharged. Only use the USB charger provided.
- Protect the light from impacts so as not to jeopardise its impact-resistant properties (IK07).
- Ensure that the light is not permanently exposed to high temperatures or direct sunlight.
