Safety Instructions:

- Touchless dispensing to reduce contact with bacteria and prevent the spread of germs.
- Store in dry conditions only.
- Ensure that the dispenser is within reach and properly installed to prevent it from falling or dropping.
- Follow battery replacement instructions to avoid short circuits and monitor battery life to ensure proper function.
- Keep children away from the appliance, protect it from access by children and install it at a safe distance from water sources.
- Avoid vandalism: Use a lock with key to protect the battery and liquid.
- Batteries not included; use only recommended batteries.
- Only use dispensers with the refill sets provided.
- Check dispenser regularly for refill level and functionality.
- Keep hands and objects away from the outlet to avoid accidental spraying.
- Not suitable for chemical products that are not formulated for disinfectants or soaps.
- Keep dispensers dry and avoid contact with water to reduce electrical risks.
- Proper installation and use according to the instructions necessary for product safety.
