Safety Instructions:

- The product is only suitable for indoor use.
- Product is not suitable for children under 3 years of age. Age labelling required, especially in environments with children.
- Take care when handling sharp-edged surfaces of the roller shutter cabinet.
- Do not load shelves above the maximum load capacity of 50 kg to avoid damage.
- Carry out regular inspection and maintenance of hinges and locks.
- Ensure safe handling and follow the instructions for safe installation and use.
- Only install and use in accordance with the instructions supplied, in particular adjust the levelling and set up on level ground to avoid the risk of tipping.
- Check the cabinet regularly for stability and safety.
