### Safety Instructions:

- The product may have sharp edges, so handle with care.
- Make sure that the roller shutter cabinet is stable and level to prevent it from tipping over or wobbling.
- The maximum load capacity of the shelves is 50 kg, do not exceed this.
- Keep the area around the cabinet clear to avoid accidents.
- Not suitable for use by children under 3 years of age as it may contain small parts.
- Avoid contact with water to prevent corrosion.
- Ensure stable positioning and load distribution to prevent tipping.
- Using fewer shelves than recommended can have a negative impact on the load-bearing capacity.
- Follow the instructions carefully during installation to ensure safe use.
- Keep the product away from small children to avoid the risk of choking.
- Do not apply excessive force to the roller shutter mechanism to avoid damage.
- Only use the product as described in the instructions.
