Safety Instructions:

- Not suitable for use by children.
- Caution: Risk of electric shock if connected or handled incorrectly.
- Keep at least one metre away from flammable materials.
- Only use with DALI-compatible control devices for dimming to avoid possible damage.
- The lamp may become hot during operation; avoid touching it.
- Ensure that the installation complies with the manufacturer's instructions.
- Please note that the pendant light must be mounted on a stable ceiling to prevent it from falling down.
- Ensure that the electrical installation complies with the regulations for the mains voltage of 200-240 V.
- The product is only suitable for indoor use.
- Keep the light away from areas exposed to water and moisture.
- The light does not contain any user-replaceable parts; contact the manufacturer in the event of problems.
- Take care not to overheat the light and ensure that the ventilation is not blocked.
- Risk of suffocation due to improper assembly or handling.
- Danger of glare, especially when looking directly at the light source.
- Not suitable for use in damp or wet environments.
- Do not disassemble or modify the product.
