Article Numbers: 657182, 657181

Safety Instructions:

- Use suitable protective clothing and safety equipment during installation.
- Ensure that the substrate is suitable and load-bearing before installing the anchor.
- Ensure that the anchor is properly anchored in the concrete to prevent it from pulling out or failing.
- Read the instructions for correct installation and use of the product.
- Keep a safe distance from electrical cables and pipes when drilling and fastening.
- Ground anchors must be used for fastening in accordance with local building regulations.
- Ensure that the floor anchors are correctly installed and securely fastened.
- Improper use of the product may result in injury or damage.
