Safety Instructions:

- Take protective measures to prevent damage from storage and retrieval machines.
- Ensure that the impact protection is properly installed to guarantee effective safety.
- Follow all installation instructions carefully.
- Regularly check the stability and integrity of the impact protection corners to ensure that there is no damage.
- Do not use if damage is detected.
- Avoid overloading the impact protection or use that could impair stability.
- Keep a safe distance from storage and retrieval machines to avoid collisions.
