Safety Instructions:

- Ensure that no objects are trapped in the printer to avoid injury.
- The appliance is not suitable for use by children; sharp edges and moving parts can cause injuries.
- Use of the appliance is at your own risk and the manufacturer is not liable for any damage caused by improper use.
- Ensure that all electrical safety standards are observed when installing and using the appliance.
- Only use the recommended consumables (e.g. ink) to minimise the risk of malfunction or fire.
- The appliance can generate heat during operation; ensure sufficient distance from flammable materials.
