### Safety Instructions:

- Choking hazard due to small parts: The drawer box may contain small parts that could be swallowed by children. The product is not intended as a toy and should be kept out of the reach of small children.
- Make sure that the drawer box stands on a stable and non-slip surface and does not tip over, especially when stacked.
- Security note: The top drawer can be locked to control access to sensitive contents.
- Be careful when closing the drawer to avoid the risk of crushing.
- Only use the drawer box for its intended purpose in order to avoid damage or danger. Ensure that there are no sharp edges or breakage points.
- Do not place the drawer box near sources of heat or in direct sunlight.
- Risk of injury due to improper use of the drawer box. Enclose safety information and instructions for use in an understandable language.
