Article Numbers: 195814, 195813

Safety Instructions:

- The product is not suitable for children. Before use, ensure that it is kept out of the reach of children. Also keep the emergency key out of the reach of children.
- Use the wall anchoring material properly and ensure that the product is securely anchored to a stable wall to prevent tipping and stability issues.
- If the emergency key is lost, replace the key lock immediately to maintain security. Always keep the key lock closed to prevent unauthorised access.
- The use of key rings or fobs not recommended by the manufacturer may compromise the security of the safe.
- Make sure that the slot is not overloaded and is only used for keys to prevent damage to the safe.
- Note the weight of the product to ensure stability when attaching to the wall.
