Safety Instructions:

- Take care not to damage the glass board abruptly or by dropping it, and do not overload it or use it improperly to avoid the risk of falling or breakage.
- Avoid using sharp or pointed objects on the surface to prevent scratches.
- Make sure that the glass shelf is standing on a stable surface and that the castors are properly locked, check the castor settings and locking brakes regularly to prevent it from tipping over or rolling away uncontrollably.
- Only use recommended writing instruments (chalk markers or dry-wipe markers) to avoid damaging the surface and follow the manufacturer's instructions.
- Keep small parts (e.g. magnets) away from small children to avoid the risk of suffocation.
- The product is intended for indoor use and should not be exposed to extreme environments.
- Safety glass - If broken, glass could shatter and cause injury.
- Installation and use should only be carried out in accordance with the manufacturer's instructions in order to avoid accidents.
