Safety Instructions:

- Read and follow the installation instructions carefully
- Always work with sufficient support to avoid injury from heavy equipment during assembly
- Mount the product on a stable wall that can safely support the weight of the monitor
- Use suitable fixing materials for wall mounting (not included in the scope of delivery)
- Regularly check the bracket for damage and secure adjustment
- Check the bracket for correct and secure installation before use
- Observe safe use in accordance with the recommended size and weight restrictions
- Keep children and unauthorised persons away from the place of installation and use
