Article Numbers: 460386, 460385

Safety Instructions:

- Do not load the product above the maximum load capacity of 1000 kg. Ensure that the maximum load of 1000 kg is not exceeded.
- Pay attention to improper handling to avoid injuries.
- Protect against corrosion when used outdoors if not hot-dip galvanised.
- Avoid sharp edges and corners to prevent cuts.
- In the event of faults or damage, contact the manufacturer immediately.
- Before stacking, ensure that the containers are correctly aligned to prevent them from tipping over.
- Use suitable personal protective equipment to avoid injury during transport and handling.
- The stacking containers may be unstable on uneven surfaces; therefore check the surroundings accordingly.
- The product is designed for commercial use and should not be used by children.
