Article Numbers: 461464, 461463

Safety Instructions:

- Maximum load capacity: 1500 kg. Avoid exceeding the maximum load capacity to prevent structural damage or breakage.
- Use appropriate lifting techniques and protective equipment to avoid injury.
- Stacking frame is only suitable for dry conditions, wetness can impair the structure and stability.
- Avoid use in unsuitable environments to minimise safety risks.
- Avoid excessive loads to prevent tipping. Install the product correctly and stack it securely.
- Observe protection against sharp edges of the steel sheet to avoid injuries.
- Work with other people during assembly and disassembly to ensure safety.
