Safety Instructions:

- Choking hazard due to small parts, therefore not suitable for children under 3 years of age and should only be used under supervision.
- Fire hazard: Flame retardant according to UNE-EN 1021-1:2006 and UNE-EN 1021-2:2006, but not flame retardant; therefore keep away from naked flames.
- Self-assembly: Follow the assembly instructions exactly to avoid safety risks such as instability or the risk of falling.
- The artificial leather cover can be cleaned with disinfectant; check compatibility on an inconspicuous area to avoid damage.
- Synthetic leather cover does not contain any harmful chemicals in accordance with the EU REACH regulation, but caution should be exercised in the event of allergies.
- Pay attention to the stability and load limits to avoid damage or injury.
- Ensure regular inspection for wear or damage to guarantee functionality.
- Do not use as a ladder or for climbing to avoid the risk of falling.
- Product is not weather-resistant and therefore not suitable for outdoor use.
