Safety Instructions:

- Ensure that the bench is placed on a stable and level surface to avoid the risk of slipping.
- Ensure that assembly is carried out in accordance with the instructions to guarantee stability and safety.
- The artificial leather cover is resistant to disinfectants, but compatibility should be tested on an inconspicuous area.
- The bench is not suitable for children; supervision is necessary and be aware of the risk of suffocation from small parts.
- Do not use the seat bench as a climbing aid or for any use other than the intended use of the seat.
- Keep the product away from naked flames, as it is hardly flammable; note the fire hazard.
- Regularly check the condition of the upholstery and cover for wear or damage.
- The product should not be exposed to extreme temperatures or direct sunlight in order to avoid material damage.
- Sharp objects can damage the surface of the artificial leather; take care when cleaning.
- Only use authorised cleaning agents to prevent material damage.
- Dispose of the product in accordance with local regulations for materials containing plastic.
