Please note the technical data of the products!

**Article Numbers:** 168469, 168468, 168467, 168466, 168465, 168464

### Safety Instructions:

- Keep the table divider away from naked flames, hot objects and extreme temperatures.
- Avoid contact with sharp objects to prevent scratches, damage or sharp edges due to breakage.
- Clean the table divider regularly and use suitable cleaning agents to ensure a hygienic environment and avoid damaging the material.
- Ensure that the brackets or clamps are firmly and stably attached to prevent the partition from tipping or falling over. Stability should be checked regularly, especially in public areas.
- Only suitable for horizontal mounting; not for vertical use. The clamping device is suitable for panel thicknesses up to a maximum of 48 mm.
- The product may break if handled improperly and pose a risk of injury. Do not continue to use if damaged.
- The table partition should not be used to cover electrical appliances.
