Article Numbers: 168492, 168491, 168490, 168489, 168488, 168487, 168486, 168485, 168484, 168483

Safety Instructions:

- Choking hazard due to small parts, not suitable for children under 3 years.
- Ensure safe and stable installation to avoid mechanical hazards and falling.
- Installation should only be carried out by adults and ensure that the wall is stable.
- Beware of sharp edges or corners. These can cause cuts if handled incorrectly.
- Properly dispose of damaged surfaces or broken parts to avoid injury.
- Ensure that suitable board markers are used so as not to damage the surface.
- Do not use with sharp objects or aggressive cleaning agents to avoid damage.
- Avoid direct sunlight and moisture to prevent damage to the surface and frame.
- Regularly check for damage to minimise potential hazards.
- Store out of the reach of children to avoid the risk of choking on small parts.
- Read the instructions carefully before use.
- The magnetic surface can cause injuries if handled incorrectly.
