Safety Instructions:

- Choking hazard due to small parts if handled incorrectly. When used in the vicinity of children, ensure that no parts can fall off or be swallowed. Not suitable for children under 3 years of age as it may contain small parts. Caution: The folding board should not be used as a toy by small children.
- Please ensure that the folding board is stable to prevent it from tipping over during use. Make sure that the folding board is stable to prevent it from tipping over. All assembly and operating instructions must be observed to ensure safe use.
- Only use the recommended or authorised accessories to avoid damage or injury. Use suitable accessories to avoid damage or safety risks.
- Only use dry-wipe markers to avoid damaging the surface.
- The surface can become slippery in wet weather; take care when using outdoors.
- Keep the hinged panel away from a direct source of heat to prevent deformation.
- Only use the folding board for its intended purpose in order to avoid injury or damage. If not used as intended, the magnetic function may be impaired under certain circumstances.
- Ensure that the table is securely positioned to avoid the risk of it tipping over.
- The board must not be treated with sharp or pointed objects.
