Safety Instructions:

- Ensure that the board is stable and properly mounted to prevent it from tipping over.
- Choking hazard due to possible small parts, please keep out of the reach of children.
- Use only for the intended purpose in accordance with the instructions for use.
- Observe the maximum load on the castors to prevent the board from tipping over.
- Only use the board on flat surfaces to ensure stability.
- Not suitable for outdoor use, will be damaged by weathering.
- Avoid tripping hazards around the board, especially in areas with heavy foot traffic.
- Keep the surface clean and free of unsuitable materials for safety and functionality.
- Close the castors firmly when the board is used in place to prevent unintentional movement.
- Use suitable (dry-wipe) markers to prevent damage to the surface.
- Do not use in extreme temperatures or high humidity to avoid material damage.
- Carry out installation in accordance with the instructions to avoid improper installation.
- Only use castors on smooth, level surfaces, ensure that they lock when in use.
- Protect the product from direct sunlight to prevent discolouration of the surface.
