Article Numbers: 168507, 168506, 168505, 168504

Safety Instructions:

- Before mounting, ensure that the wall and the mounting material are suitable.
- Do not install the cork board near sources of fire.
- When using pins, make sure that they cannot get into the hands or mouth of children.
- Check the cork board regularly for damage and replace defective parts immediately.
- Observe the local regulations when returning or disposing of the cork board.
- Take care to avoid sharp edges when handling the product.
- Avoid installing the cork board near moisture to prevent mould growth.
- When mounting on a wall, ensure that the fixings are secure to prevent the board from falling.
- Only use marked and suitable pin needles to avoid damage.
- Caution: Smaller parts could pose a choking hazard.
- Please note that incorrect installation can lead to injuries.
