Safety Instructions:

- Ensure that the suspension bar is properly mounted to prevent it from falling down.
- During installation, make sure that the screws and plugs are tight to avoid injury.
- The product is not designed as a toy and should therefore be kept away from children.
- During use, ensure that the maximum loads are not exceeded.
- Avoid direct contact with sharp edges when handling the hanging rail.
- Only attach the hanging rail to suitable walls that can bear the weight of the mounted objects.
