Safety Instructions:

- Learn the correct technique to avoid injury during use.
- Keep the beanbag away from direct sunlight to protect the material from discolouration and wear.
- Check the pressure of the ball regularly to ensure that it is correctly inflated.
- Keep the ball away from sharp objects to avoid puncturing it.
- Make sure that the ball is used on a suitable, stable surface.
- The product is not suitable for children under 3 years of age to avoid the risk of choking on small parts.
- Keep out of reach of children as there is a risk of suffocation from small parts.
- Check the product regularly for damage during use to rule out a safety risk.
- Does not qualify as play equipment and should not be used as such.
- Ideal for exercises, but only use under supervision to minimise the risk of falling or injury.
- Do not overload; observe the maximum load capacity to avoid the risk of injury.
- Ensure that the seat ball is properly inflated and regularly checked for damage to avoid the risk of injury from the ball bursting.
- Avoid using the ball on slippery surfaces to prevent falls.
- Users should be aware that the ball may tip over during use, which may result in injury. Careful use is therefore required.
- The product should be used in a location where there is sufficient space to avoid accidents.
