Article Numbers: 464916, 464915

Safety Instructions:

- Take care not to overload or overload the shelf to prevent it from tipping over.
- Only use the shelf for its intended purpose to avoid damage or injury.
- Keep the shelf away from moisture to prevent rust formation.
- Do not use the shelf in areas with extreme temperatures or precipitation.
- Attach the shelf to the wall, if necessary, for additional stability.
- Ensure that open-fronted storage bins are handled and stored correctly to prevent them from falling.
- Make sure that no small parts are within reach of children to avoid the risk of suffocation.
- The product is made of sheet steel; sharp edges can cause injuries. Use protective gloves during assembly and handling.
- Mount the product on stable surfaces to avoid the risk of tipping.
- Observe the maximum weight limits of the open-fronted storage bins to prevent overloading.
