Safety Instructions:

- Check that the shelf is stable and securely positioned to prevent it from tipping over.
- Avoid overloading the shelves with excessively heavy objects to reduce the risk of breakage or damage.
- Keep the shelf away from water and moisture to ensure the integrity of the steel sheet.
- Read the enclosed installation instructions carefully to avoid safety risks during installation.
- Make sure that children do not play near the shelf to avoid accidents.
- The product is not suitable for children under 3 years of age as it contains small parts that can cause a choking hazard.
- There is a risk of the shelf tipping over or breaking if it is handled incorrectly or overloaded.
- Ensure that the stability of the shelf is guaranteed before storing heavy objects.
