Safety Instructions:

- Observe the maximum surface load of 450 kg.
- Enclose safety information for safe use.
- To prevent accidents, lock the swivel castors when stationary.
- Ensure correct handling when transporting and lifting loads.
- Do not treat the surfaces with aggressive cleaning agents.
- Take safety precautions when adjusting the height.
- Do not overload to avoid injury.
- Use suitable protective clothing if necessary.
- When used in storage areas, ensure that the floor is non-slip.
