Safety Instructions:

- Ensure that the mobile pedestal is not overloaded; maximum load capacity per drawer: 35 kg.
- Avoid pulling the roller container over uneven surfaces to minimise the risk of it tipping over.
- Make sure that the swivel castors are working properly before moving the container.
- Installation must be carried out in accordance with the enclosed instructions to ensure the safety of the product.
- Children should not be allowed to use the mobile container without supervision to avoid the risk of injury from falling or crushing.
