Safety Instructions:

- Ensure that the drawers are not overloaded (observe maximum load capacity of 35 kg per drawer)
- Make sure to mount the product correctly to ensure stability and avoid the risk of tipping over
- Use only in accordance with the intended purpose (e.g. not suitable for children)
- Keep the key for the central locking system in a safe place to prevent unauthorised access
- Regularly check for damage or wear, especially drawers and hinges
- Dispose of packaging in accordance with local regulations so as not to harm the environment
