Safety Instructions:

- Risk of suffocation from small parts (USB-C or USB-A cable) if handled incorrectly.
- Risk of electric shock if the USB port or charger is used incorrectly or damaged.
- Use with non-compatible devices can lead to dangerous malfunctions.
- Keep the appliance away from children as it can be perceived as a toy and is not designed for their use.
- Do not point the LED display directly into the eyes to avoid eye discomfort.
- Take care when handling the integrated battery to avoid overheating or damage.
- Only use indoors and protect from moisture and water to avoid short circuits.
- Product not suitable for children under 14 years of age. Adult supervision recommended.
- Do not place batteries near heat sources, naked flames or other hot surfaces.
- Do not bend or crush the hands-free car kit too much to avoid damaging the device.
- Before use, ensure that the product is fully charged to ensure optimum performance.
- Activate Bluetooth mode properly before using the device.
