Safety Instructions:

- Ensure that the coat stand is set up and assembled in a stable position to prevent it from tipping over.
- Avoid hanging heavy or overloaded garments on the hooks to prevent overloading and damage to the rack. Customers should be informed about the load capacity of the hooks.
- The umbrella holder should not hold more than 6 umbrellas to avoid overloading. Instructions for safe use should be provided.
- Keep the coat rack dry and avoid getting it wet to prevent corrosion and rusting. It is not suitable for outdoor use.
- The drip tray should be emptied regularly to avoid overflowing and the associated risk of slipping.
- Small parts should be kept out of the reach of children to avoid the risk of choking.
- There are no sharp edges, but care should be taken to avoid injury during assembly and use.
- Regularly check for damage or signs of wear and tear to ensure safety.
