Article Numbers: 194197, 194196, 194195

Safety Instructions:

- Make sure that the partition wall cannot fall over due to its size and on firm, stable surfaces.
- Avoid improper assembly and only use the recommended feet to ensure a stable construction.
- The acoustic partition wall is not suitable for use outdoors or in damp environments.
- Please ensure that children do not play with the partition parts and keep them out of their reach to avoid injury.
- The disassembled delivery requires careful handling during assembly to avoid injuries from sharp edges. Wear protective gloves when handling the edges.
- Not suitable for children under 3 years of age due to potential choking hazards from small parts.
- Contains chemical substances that may cause allergies or health problems. Please check allergen information before use.
- Only use the partition wall in accordance with the installation instructions to avoid possible injury.
- Regularly check the stability of the partition wall and tighten the assembly connections if necessary.
