Safety Instructions:

- Ensure that the table partition is mounted stably to prevent it from tipping over.
- Do not use harsh chemicals when cleaning to avoid damaging the material.
- Avoid direct sunlight and extreme temperatures to prevent discolouration or deformation of the materials.
- The table divider is not suitable for use outdoors or in damp environments.
- Do not place near heat sources or open flames to avoid the risk of fire.
- Not suitable for children under 3 years of age, as there may be a danger from small parts.
- Avoid the use of aggressive cleaning agents and only clean the surface with a damp cloth and mild cleaning agents.
- The product should only be used for its intended purpose and indoors; do not use as a support for heavy objects.
- Keep the table divider away from sharp objects to prevent damage.
- Carry out regular inspections to detect damage or wear.
- If the product is damaged, stop using it to avoid safety risks.
- Use only in dry environments; protection against moisture.
- The product is not suitable for children and should not be used as a toy.
