Safety Instructions:

- Ensure that the table partition is stable and firmly anchored to prevent it from tipping over.
- Not suitable for children under 3 years of age as small parts may pose a choking hazard.
- The table partition is only suitable for indoor use and must not be used outdoors.
- Keep the table divider away from naked flames and hot surfaces to minimise the risk of fire.
- Avoid direct contact with water or moisture to prevent material damage.
- Handle the table divider with care to avoid knocks and damage.
- The table partition is not suitable as protection against heavy or sharp objects or as a safety barrier.
- Avoid direct sunlight to prevent discolouration and material damage.
- Regular inspections and cleaning of the table partition with mild cleaning agents recommended.
- In the event of visible damage, stop using the table divider and contact the supplier.
- Only use the desk divider for its intended purpose in the office.
- Make sure that the table partition is not used as a climbing aid or toy.
- The materials are made from 100% post-consumer recycled polyester and should be disposed of in an environmentally friendly manner.
