Safety Instructions:

- Make sure that the table is placed on a stable, level surface to prevent it from tipping over and that it is stable in strong winds.
- When assembling, use the screws included in the scope of delivery and ensure that all screws are firmly tightened to ensure stability. Improper assembly can cause injuries and impair stability. Follow the assembly instructions exactly.
- Avoid direct contact with sharp objects to prevent scratches or surface damage.
- Clean the tabletop with suitable, non-abrasive cleaners to prevent damage.
- The table is weatherproof, but should be protected or covered in extreme weather conditions to prolong its service life.
- Please do not load the table beyond the maximum recommended load capacity.
- Regularly check for rust or damage to the metal parts.
- Store the table in a protected area to extend its service life.
- Keep the table away from naked flames or glowing objects.
- Not suitable for children as it may have sharp edges.
- The table top could be damaged by extreme temperatures.
