Article Numbers: 659293, 659292, 659289, 659288

Safety Instructions:

- Do not place the table near fire or hot surfaces. Keep the product away from naked flames and extreme temperatures.
- Do not use in wet conditions to avoid the risk of slipping.
- Ensure that the table is properly assembled and placed on a stable, level surface to prevent it from tipping over.
- Children should not have unsupervised use of the table.
- Only use recommended cleaning agents and no sharp or abrasive tools to avoid damaging the surface coating and scratches.
- Please follow the assembly instructions for safe stability of the table. Follow the instructions carefully to avoid accidents.
- Regular maintenance of the substructure and checking for loose bolts and other fixings is recommended to ensure longevity and safety. Galvanised parts are corrosion resistant, but regular maintenance can improve longevity.
- Users should pay attention to the weight and the assembly instructions when transporting the table.
- The product is suitable for outdoor use. Ensure that it is not left outside in adverse weather conditions and avoid long-term exposure to extreme weather conditions to prolong its service life.
- The tabletop is strong and scratch-resistant, but still sensitive to sharp objects. Avoid contact with these to prevent scratches on the tabletop.
- Ensure that the table is placed on a stable, level surface to prevent it from tipping over.
