Article Number: 144215

Safety Instructions:

- Make sure that the swivel chair is used on a stable surface to prevent it from tipping over.
- Avoid using excessive force when adjusting the height to prevent damage.
- Follow the instructions for correct positioning of the back and pelvic support for a healthy sitting posture.
- Make sure that the glides are checked regularly for damage to prevent the chair from slipping.
- The chair is not suitable for use by children under the age of 14. Ensure that children do not play with the product.
- People sitting near the chair should be informed about the chair's manoeuvrability and adaptability in order to avoid accidents.
